1) A new type of TV class jewel-necklace pattern - was approved in 1930, and jewels of this kind were specially got manufactured in 1930 & 1931 for presentation to the Sri Alamma and Mr & Kongadiappa respectively. The design of the jewel was supplied by Messrs C. Krishnaiah Chetty & son & on both occasions the jewel was supplied by them at a cost of Rs. 530/-

2) This year also, the award of a TV class jewel to Mrs. Lakshmidévari Venkatamūniah Chetty of Bangalore has been approved and a special jewel of the new type has to be got. It is not required for the Durbar but may be sent later if approved.

Request him to send lowest quotation
for a jewel of Ganda veranda order IV class
necklace pattern.

Letter D 3rd Oct. 1934 from Messrs. C.
Krishniah Chetty & Sons, Bangalore, states
that the jewel of Ganda veranda order IV class
(Necklace Pattern) will be supplied at Rs. 625/-
within 10 to 15 days from the date of the order.

Subd.

1) The Firm states that they can supply
the new type of IV class necklace pattern
at Rs. 625/-, while in the years 1930 and 1931
the same jewel was supplied by them at a
cost of Rs. 530/-. The increase in price, they say,
is due to abnormal ~~rise~~ raise in the price

of gold. Submitted for order.

For R.

14/10/1934

6) Messrs. C. Krishniah Chetty have
raised the price by nearly Rs. 100 over their
previous quotation of 1930 & 1931 on the ground of
rise in price of gold. The fact that this type of
jewel is according to a design supplied by them in 1930,
and they are the only firm that have manufactured
it on previous occasions, may perhaps be responsible to some
extent for this ~~excessive~~ high quotation. After all, the ~~price~~ ^{quantity} of gold in the jewel is not so large as to justify the
large increase. The price of a III class jewel which we are

Serial
No.

getting from Barton^{now} is only Rs 615
Messrs C.K. Chetty quoted Rs 625/-
for a III jewel, and they have
now quoted the same figure for
the special TV class jewel. It is
cheaper to utilise a III class jewel
readily available for Rs 615, than to
accept the present quotation of Messrs
K. Chetty of Rs 625 for a TV class necklace

7) [The other firms have not
got the design of this special type
and may not be in a position to quote
for it, or manufacture it - unless
supplied with a sample jewel or
correct specification of size etc.]

8) It is for orders if Messrs C.K. Chetty
may not be asked to lower their
quotation to the figure ~~as~~ accepted
in 1930 & 1931 or ~~about that~~ somewhere
near that figure.

Messrs P. Orr & Sons states that they would supply

Gentlemen,

I write to acknowledge receipt of your letter dated 3rd October 1934, forwarding your quotation for the new Type of Gandabherunda Jewel, IV Class (Necklace Pattern). While on two previous occasions a similar jewel was supplied by you at a cost of Rs.530/-, your present quotation is higher by nearly Rs.100/- and you attribute this to the abnormal rise in the price of gold.

I am to state that the value of the gold in the jewel does not after all represent such a large proportion of its cost, as to justify such an increase, and further the figure of Rs.625/- now quoted by you for a IV Class Jewel is even higher than the present price of a III Class Jewel. In the circumstances, I am to enquire whether you are prepared to lower your quotation to somewhere in the neighbourhood of the rate accepted by you for the same class of jewel supplied in 1930 and 1931.

Sir,

We beg to acknowledge the receipt of your letter No. 663/C.B. 7-34-1 dated the 5th Instant. In reply to your kind enquiry about the revised quotation for the New Type of Gandabherunda Jewel, IV Class (Necklace ---- pattern) we beg to state that only the difference of price in gold has been added to the previous quotation. The price of gold in 1930 and 1931 was at Rs13-6-9 per Sovereign and the price of gold now is at Rs22-3-0 per Sovereign. So there is a difference of Rs8-12-3 for every sovereign. The Jewel under reference weighs with wastage 10½ Sovereigns and if the actual difference is added to the previous quotation it amounts to more more than the present quotation of Rs625/- . Further it is stated that the figure of Rs625/- our quotation for the IV Class Jewel is higher than the present price of a III Class Jewel. The Third Class Jewel contain only two diamonds and two or three stars and the IV Class Jewel contain 18 diamonds and two big Emeralds instead of Rubies in the top of the wings of Double Headed Eagle. You are aware that Emeralds are costlier than Rubies. We have ^{not} taken these things into consideration but only added the difference.

Sir,

As the order has been placed already
We have not been favoured with your reply to ours of the 6th Ult in respect of the quotation for the supply of the IV Class Jewel , New Type (Necklace pattern). The increase in the quotation now submitted is due to the abnormal raise in the price of gold as was explained in our letter of the 6th October 34. If the Jewel is required at a less cost it could be done by replacing diamonds with rubies, retaining three diamonds (One in the centre of the Eagle and two at the tail) as contained in the Third Class Jewel. In this case we shall be able to supply the IV Class Jewel , New Type (Necklace pattern) set with rubies, Emeralds and three diamonds with a gold chain at Rs545/-. Trust that this revised quotation will meet with your approval and favour us with your formal and favourable orders. With kindest regards, we are, Sir,

Yours faithfully,

G. Krishniah Chetty
